1. On October 25, 2018, agents executed a federal search warrant at an apartment on Jason Street, in Edinburg, Texas. Aaron ORTIZ and Linda MORENO were the only individuals present at the residence at that time.
2. A search of the residence revealed four (4) packages and one (1) bag of suspected methamphetamine. Agents also located numerous flat cardboard shipping boxes and a large box full of material commonly utilized to wrap and distribute narcotics. The total weight of the suspected methamphetamine located in the apartment was approximately 4.732 kilograms. Upon locating the methamphetamine in the apartment, both ORTIZ and MORENO were detained by agents and later transported to the DEA McAllen District Office.
3. Agents conducted an interview of ORTIZ. SA Estrada read ORTIZ his Miranda Warnings out loud. ORTIZ stated that he waived his rights and agreed to be interviewed by agents. ORTIZ stated that he had knowledge of the methamphetamine inside the residence and told agents where the methamphetamine was located. ORTIZ also stated that he helped MORENO package the methamphetamine that was located inside the residence.
4. Agents conducted an interview of MORENO. GS Townsend read MORENO her Miranda Warnings out loud. MORENO stated that she waived her rights and agreed to be interviewed by agents. MORENO stated that she received the methamphetamine earlier that same day. MORENO stated that she was going to sell the methamphetamine to an unknown male from San Antonio, TX that same night.
5. Agents subsequently field tested the four (4) packages and one (1) bag containing suspected methamphetamine at the DEA McAllen District Office, which tested positive for characteristics of methamphetamine.
